Education

Intermediate

Jamia Millia Government Degree College

I completed my intermediate studies at Jamia Millia Government Degree College, where I pursued rigorous coursework and hands-on learning experiences.

This period played a crucial role in shaping my academic foundation and personal development.

About Me

I am a Graphic Designer with 3+ years of hands-on experience in branding, visual identity, packaging design, social media creatives, and motion graphics.

I began my design journey in early 2023 through structured online training at GFXMentor, where I built a strong foundation in design principles, typography, layout, and color theory. After completing my training, I joined Daira Studio as a Graphic Designer Intern and worked on live client projects from day one.

Within 90 days, I was promoted to full-time Graphic Designer based on my performance and creative contribution. Since then, I have worked on 10+ brands across Automotive, Food & Beverage, Fashion, Furniture, AI Automation, Healthcare, and Hospitality delivering packaging solutions, social media campaigns, motion graphics, and promotional videos.
